Virtual Public Information Meeting

Monday, May 8, 2023, 6:30 p.m.
<https://www.virginiadot.org/Route50GooseCreek>

Find out about plans to replace the Route 50 bridge over Goose Creek. The bridge was built in 1954. The project includes corrosion-resistant steel to reduce long-term maintenance, as well as aesthetic treatment of the bridge parapets and rails that will pay homage to the surrounding historic area. Two lanes will remain along the bridge with wider shoulders in each direction.

The meeting will be held as a **virtual/online meeting**. Information for accessing and participating in the virtual meeting is available at **<https://www.virginiadot.org/Route50GooseCreek>**. The project team will make a short presentation beginning at 6:30 p.m. and answer questions for about an hour after the presentation.
